The World's Fastest Painter

Technical Information

In order to have a smooth running and entertaining show we would appreciate it if we could have access to the following:

- 5' X 5' area
- 110 volt electricity
- Room Lighting
- 1 hour set up
- 1 hour strike

Stage Performances:

- Require overhead camera and projector
- Artist can provide camera and projector for an additional fee.

Outdoors show:

- Require shade, either under a large tree or a canopy.
- Electricity to be brought out to the performance area.

Technical information is general. Specific technical information will be supplied for individual venues.

Please contact Class Act if you have any questions or cannot provide any of the above so that other arrangements can be made. Thank You!
