

Barefoot Hawaiians

Large Venue Technical Information

In order to have a smooth running and entertaining show we would appreciate it if we could have access to the following:

- Electrical outlet
- Dressing room adjacent to performance area – with 2 pitchers of water & glasses
- Unloading and loading accessibility
- Lighting for outside performance area
- Audience should be at least 20 away from fire dancers to perform expertly
- Performers will provide sound system

Technical information is general. Specific technical information will be supplied for individual venues.

Please contact Class Act if you have any questions or cannot provide any of the above so that other arrangements can be made. Thank You!
