

## The Special Consensus

### Small Venue Technical Information

In order to have a smooth running and entertaining show we would appreciate it if we could have access to the following:

Arrival Time: 30-45 minutes prior to performance

Set up Time: 30-45 minutes

Strike Time: 30 minutes

Performance Area: 15' x 9' deep

Sound: Electrical outlet, at least one microphone, performers will provide their own sound system if requested.

Technical information is general. Specific technical information will be supplied for individual venues.

**Please contact Class Act if you have any questions or cannot provide any of the above so that other arrangements can be made. Thank You!**
